

Certificate Course for Export and Customs Specialist (IHK) - online

In collaboration with the IHK region Stuttgart, the IHK-Exportakademie GmbH is offering the certificate course “**Export and Customs Specialist (IHK)**” comprehensive training for employees in the areas of Import, Export, Sales or Distribution departments that are looking to expand on their expertise and know-how in this specific area.

The course teaches basic, praxis-oriented Customs knowledge on the complex import / export and foreign trade relations. Central components of the course are topics such as the tariff classification of goods, the application of incoterms and payment terms, the characteristics of trading goods between EU Member States, customs procedures and export documents, preference and country of origin determination as well as the fundamentals of operational export control compliance measures.

The Aim of the Course:

The participants obtain fundamental and practice-oriented knowledge on complex import / export and foreign trade relations and are able to expand on their expertise and know-how.

Target group:

Beginners and lateral entrants that are entrusted with customs and exports and are looking to understand the export and foreign trade relations and want to expand on their expertise and know-how.

Clerks that want to bring their practical knowledge into a systematic context and want to extend on or brush up on their expertise and know-how.

Date: January, 18th – 20th and 25th – 27th, 2022

Costs: 1.740,00 Euro zzgl. MwSt.
